PROGRAMS OF STUDY ASSOCIATE IN SCIENCE

The following programs of study are guides for students who intend to major in the specific areas that are listed. The Alabama Articulation and General Studies Committee, which was created by the Alabama Legislature through ACT 94-202, devised these programs of study. This legislation requires that these programs and their courses be accepted for transfer at all public institutions of higher education in Alabama. Any student or faculty advisor who encounters a problem in getting these programs and courses transferred to a two or four-year college in Alabama should contact Dean Tonie Niblett, who serves as the articulation contact person at Northeast. More detailed transfer guides and student transfer agreements to four-year colleges may be obtained from the Statewide Articulation Reporting System (STARS) on the Internet at <http://stars.troy.edu>.
