Your 2024-2025 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

A. Student’s Information

________________________________________________________________________
Student’s Last Name    Student’s First Name    Student’s M.I
________________________________________________________________________
________________________________________________________________________
Student’s Street Address (include apt. no.)
________________________________________________________________________
City                     State                     Zip Code
________________________________________________________________________
________________________________________________________________________
Student’s Home Phone Number (include area code)
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
Student’s Alternate or Cell Phone Number

B. Independent Student’s Family Information

List below the people in your household. Include:

- Yourself
- Your spouse if you are married.
- Your children, if any, if you will provide more than half of their support from July 1, 2024, through June 30, 2025, or if the child would be required to provide your information if they were completing a FAFSA for 2024-2025. Include children who meet either of these standards, even if they do not live with you.
- Other people if they now live with you and you provide more than half of their support and will continue to provide more than half of their support through June 30, 2025.

List ALL household members in the box below. If any are attending college, please list the college they are attending.

It is the official policy of the Alabama Community college System and entities under its control, including Northeast Alabama Community College, that no person shall be discriminated against on the basis of any impermissible criterion or characteristic including, but not limited to, race, color, national origin, religion, marital status, disability, sex, age, or any other protected class as defined by federal and state law. (ACCS Policies 601.02 and 800.00)
C. Independent Student’s Income Information to Be Verified

TAX RETURN FILERS—Important Note: If the student and/or spouse filed, or will file, an amended 2022 IRS tax return, the student and/or spouse must contact the financial aid administrator before completing this section.

Check the box that applies:

☐ The IRS Data Retrieval Tool has been used.

☐ The IRS Data Retrieval Tool has not yet been used, but will be used. See instructions attached.

☐ I am unable or choose not to use the IRS Data Retrieval Tool in FAFSA on the Web, and will submit to the school a 2022 IRS tax return transcript—not a photocopy of the income tax return. To obtain an IRS tax return transcript, go to www.IRS.gov and click on the “Order a Return or Account Transcript” link, or call 1-800-908-9946. Make sure to request the “IRS tax return transcript” and not the “IRS tax account transcript.” You will need your Social Security Number, date of birth, and the address on file with the IRS (normally this will be the address used when the 2022 IRS tax return was filed). It takes up to two weeks for IRS income information to be available for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers.

☐ Check here if the student’s and/or spouse’s (if applicable) IRS tax return transcript is attached to this worksheet.

☐ Attempted to use the DRT or obtain the tax return transcript from the IRS or other tax authorities and was unable to obtain the required documentation

A. Certification and Signatures

Each person signing this worksheet certifies that all the information reported on it is complete and correct. The student and one parent must sign and date.

__________________________________________________________________________  ___________________________________________________________________
Student’s Signature                                                    Date

__________________________________________________________________________  ___________________________________________________________________
Spouse’s Signature (Optional)                                          Date

WARNING: If you purposely give false or misleading information on this worksheet, you may be fined, be sentenced to jail, or both.

---

Do not mail this worksheet to the U.S. Department of Education. Submit this worksheet to the financial aid administrator at your school. You should make a copy of this worksheet for your records.
