

Verified Students Statement

Students who are admitted and/or currently enrolled in the nursing program at NACC are required to submit and keep up to date, health, medical, and related information. This information is uploaded to an electronic record tracking system. It is the sole responsibility of the student to ensure all forms are completed, up-to-date, and submitted by the provided due dates.

Requirements include cardiopulmonary resuscitation (CPR) certification at the healthcare provider level, professional liability insurance, health evaluation, evaluation of essential functions, titer or proof of vaccinations, pre-clinical drug screen, and criminal background check.
