Welcome to the dual enrollment program at Northeast Alabama Community College where the faculty and staff are dedicated to the philosophy that “Students Come First!”

The dual enrollment program is designed to give high school students an opportunity to gain experience at college-level work before graduating from high school. NACC wants students to be successful whether they attend NACC enrolling in transfer or occupational career courses or go directly to a four-year college or university. NACC provides everyone with an opportunity to set the foundation for the future. College personnel strive for excellence, and the result is a community college that is one of the best in the South.

Best wishes!

Dr. David Campbell
President
How Do I Get Started?

Eligibility

- Be enrolled in the 10th, 11th, or 12th grade
- Have a cumulative 2.5 unweighted GPA
- Show academic readiness and maturity
- Meet entrance requirements of the College

Apply for Admission

- Complete the Dual Enrollment/Accelerated Application for Admissions (forms are located at www.nacc.edu/admission-financial-aid/admissions/dual-enrollment)
- Send NACC a copy of your unexpired, government issued photo ID (driver’s license, permit, passport, or permanent resident card)
- Complete the Release of Student Record Information Form (forms are located at www.nacc.edu/admission-financial-aid/admissions/dual-enrollment)
- Provide NACC a copy of your official high school transcript

Complete Dual Enrollment Forms

Complete the Permission to Register for Dual Enrollment Program forms each term and list each course to be taken (forms are located at www.nacc.edu/admission-financial-aid/admissions/dual-enrollment)

Take the Accuplacer Placement Exam or Submit ACT scores

The Accuplacer Placement Exam or ACT scores determine a student's eligibility to enroll in college Math and English courses. ACT scores may be used in place of the Accuplacer assessment if the student has a minimum score of 18 for English and 20 for Math within the last five years.

Pay for classes!

You are now a NACC Mustang.

Note: Ask a dual enrollment advisor about scholarship opportunities for students enrolling in technical dual enrollment classes. Scholarships are limited and are competitive.
All students and instructors involved in dual enrollment are responsible for being familiar with college policies and procedures.

All students who enroll at Northeast Alabama Community College should be familiar with the current Northeast Catalog/Student Handbook and the schedule of classes. Upon graduation from high school, students who wish to pursue an Associate Degree must comply with the general admission requirements as stated in the Catalog. A copy of the catalog can be obtained online at [www.nacc.edu/about-nacc/catalog](http://www.nacc.edu/about-nacc/catalog).

### Admission Policies-Dual Enrollment

Students are eligible to enroll in dual enrollment if they meet the conditions set by their local school system, are in at least the tenth grade, have the appropriate high school GPA, show academic readiness and maturity, and meet the entrance requirements at Northeast. Eligible applicants should complete and submit three forms: The Dual Enrollment/Accelerated Application for Admissions, the Release of Student Record Information, and the Permission to Register for Dual Enrollment Program, which must be approved by the high school counselor and principal. These forms are available from high school counselors, online, and in the NACC Admissions Office. Each term at Northeast, a new Permission to Register for Dual Enrollment Program form must be submitted to Staci Miller, Student Services Office, prior to registering for classes. This form affirms that the student is still considered eligible and also lists the specific courses to be taken that term. Upon enrollment a valid form of picture identification such as a valid driver’s license or learner’s permit must be presented.

### Admission Status and Granting of College Credit

Northeast is authorized to admit eligible high school students on a continued “Conditional Status.” The conditional status remains in effect until the student fulfills the general admissions requirements for a course creditable toward an associate degree as stated in the Catalog (i.e., high school diploma or GED). The college credits earned by a high school student will be “banked” or “held in escrow” until the student meets the criteria for general admissions.

### Advising

The College offers academic advising to all students enrolled at NACC. Advising sessions are scheduled at local high schools and on campus each semester. Specific registration dates can be obtained from the Dual Enrollment Advisor.

**Calendar**

The annual academic calendar in the Catalog applies to all students including dual enrollment students. The term calendar also appears on the class schedule, along with the final examination schedule. Students are responsible for noting such relevant dates as holidays and the last day to withdraw without penalty.

**Important:** Dual enrollment students should allow time before registration day for consulting high school officials, completing all paperwork including securing signatures on the Permission to Register for Dual Enrollment Program form, and making financial and other arrangements to attend. High schools may establish deadlines for interested students to begin the process.

**Course Evaluations – Dual Enrollment**

Northeast Alabama Community College follows an ongoing procedure to evaluate instruction in all its classes. Local school systems will devise their own methods of evaluating Northeast courses for which they award high school credit.

**Credits and Transcripts**

NACC will determine the college credits to be awarded for any dual enrollment coursework. Grades are posted to the college transcript in letter form (A, B, etc.) as submitted by instructors. The college transcript will also show total hours attempted, hours earned, quality points, and grade point average (GPA) on a 4.0 scale. College transcripts are permanent records of Northeast Alabama Community College. No college transcript is issued to any person or institution without the signed consent of the student as required by Public Law 93-380. College transcripts may be obtained from the Registrar’s Office in person or by mail after receipt of a written, signed consent. College transcripts are not faxed.

High school records of dual enrollment courses are subject to the policies of the high school. Each high school will determine the high school credits awarded for dual enrollment coursework.

**Faculty Credentials**

Faculty members teaching college-credit courses at Northeast meet or exceed the minimum level of education for college instructors specified by the Southern Association of Colleges and Schools Commission on Colleges. College degrees held by each faculty member are listed in the current Catalog.
Family Educational Rights and Privacy Act (FERPA)

A. Privacy of Student Records

Confidentiality and access to student record information at Northeast Alabama Community College is administered in accordance with the Family Education Rights and Privacy Act (FERPA) of 1974. A student’s FERPA rights include:

1. The right to inspect and review your education record within a reasonable time after Northeast Alabama Community College (NACC) receives a request for access. If you want to review your record, contact the registrar’s office to make appropriate arrangements.

2. The right to request an amendment of your education record if you believe it is inaccurate or misleading. If you feel there is an error in your record, you should contact the registrar’s office and they will advise you regarding the appropriate steps for you to take.

3. The right to provide written consent before NACC discloses personally identifiable information from the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with “Legitimate educational interests” . A school official has a legitimate educational interest if the official has a need-to-know information from your educational record in order to fulfill his or her official responsibilities.

Northeast Alabama Community College may release a student’s educational records without his or her approval as follows:

- To NACC faculty and staff with legitimate educational interests
- To representatives of agencies under contract with NACC
- To certain federal and state educational authorities for purposes of enforcing legal requirements in federally supported educational programs
- To persons involved in granting financial aid for which the student has applied
- To testing, research, and accrediting organizations
- In compliance with a court order or lawfully issued subpoena
- In very narrowly defined emergencies affecting the health and safety of the student
In addition, Directory Information, which is defined by FERPA as information contained in an education record that would not generally be considered harmful or an invasion of privacy if disclosed, can be disclosed to outside organizations or agencies upon request unless the student specifies otherwise. Directory information may include the following:

- Name
- Home address
- Email address
- Telephone number
- Date and place of birth
- Major field of study
- Enrollment status (e.g. full-time or part-time)
- Withdrawal status
- Honors, degrees, and awards received
- Participation in and personal statistics associated with officially recognized activities and sports
- Photograph
- Most recent educational institution attended
- Dates of attendance - The term “dates of attendance” refers to general periods of time, such as an academic year or a specific semester. It does not include specific daily records of a student’s attendance, which may not be disclosed without consent under FERPA.

The right to file a complaint with the U.S. Department of Education concerning alleged failure by NACC to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

- Family Policy Compliance Office
- U.S. Department of Education
- 400 Maryland Avenue, SW
- Washington, DC 20202

Student’s at NACC have the right to withhold the release of directory information. To do so, you must contact the Admissions Office to place a “No Release” on your record. Please note an important detail regarding placing a “No Release” on your record: NACC receives many inquiries for directory information from a variety of sources outside the institution, including prospective employers, the news media and honor societies, parents, and relatives. Having a “No Release” on your record will prevent the release of such information.

Any additional questions concerning FERPA should be referred to the registrar’s office.

**B. Release of Transcripts**

In compliance with the Family Educational Rights and Privacy Act, Northeast does not release transcripts of a student’s grades except upon the student’s written request. A student or former student who needs a transcript from Northeast should write to the Registrar, giving the date of attendance and the name of the institution or person to whom the record should be sent. Students should be sure to state all names which may have been entered on their college records. A student may secure an unofficial transcript for personal use but official transcripts are sent to other colleges or organizations for reference purposes. Transcripts are not issued to students who have failed in some way to complete their application procedures, registration, or obligations to the College.
Grading System and Policies
Northeast Alabama Community College’s grading system as outlined in the Catalog applies to all students. In every credit course, the instructor awards a letter grade of A, B, C, D, F, I, or W. Quality points are then assigned to each letter grade (A=4, B=3, C=2, D=1, and F=0). A grade of W is assigned to all students who officially withdraw. A grade of W will not be used in computing the student’s semester grade point average. Failure to officially withdraw results in a grade of F. If a grade of I (Incomplete) is granted by an instructor, the student must complete the course in the following semester. If the student fails to complete the course during the following semester, the Incomplete automatically becomes an F.

Students may access their grade reports by logging on to their student online account on the NACC website (www.nacc.edu). Instructors will also submit a numeric grade. The Student Services Office will report the numeric grade to the student’s high school counselor for all dual enrollment students. All grades are subject to Public Law 93-380, the Family Educational Rights and Privacy Act of 1974. Grades will not be divulged via telephone or fax. Any student who earns a D, F, I, or W during the Fall semester will be suspended from the Dual Enrollment Program in the following Spring semester. Any student earning a D, F, I, or W during the Spring semester will be suspended the following Summer and Fall semester. Any student earning a D, F, I, or W during the Summer semester will be suspended the following Fall semester.

Paying for Classes
- To pay with credit card, see instructions (ONLINE PAYMENT)
- To pay with check, make the check payable to NACC, and mail to Staci Miller, P.O. Box 159, Rainsville, AL 35986 or pay at the cashier window at NACC, Wallace Administration Bldg (WA 122).
- To pay with cash, pay at the cashier window, Wallace Administration Bldg (WA 122).

Purpose
The purpose of the dual enrollment policy is to allow eligible high school students to enroll in college classes concurrently with high school classes and to receive both high school and college credit.

Registration
The Dual Enrollment/Accelerated Application for Admission, the Permission to Register for Dual Enrollment Program, the Release of Student Record Information, a valid form of identification, and a current transcript must be on file at Northeast before registration. Students will register with the dual enrollment advisor, Staci Miller.

Schedule Changes
In order to add or change classes, a student must submit a new Permission to Register for Dual Enrollment Program form signed by the high school counselor to Staci Miller, Student Services Office. In order to drop a course, a student must notify Staci Miller in writing at millers@nacc.edu. Permission from the high school counselor may also be required.

Student I.D. Cards and Parking Decals
All registered NACC students are eligible to receive a student ID card and a parking decal. A student ID is required to check out library books and get student discounts at local vendors. Student ID cards and parking decals are issued in the Admissions office in the Student Center, Room 115. The dates to obtain a student ID and parking decal will be announced each semester on the college website.
**Student Disability Services Notice**

Dually enrolled students in need of accommodations for disabilities must follow the College policy. Assistance is available for activities including but not limited to applying for admission, registering, and participating in classes and college activities. Students in need of accommodation should contact the ADA Compliance Coordinator, Leslie Reyes, 256-638-4418 (ext. 2222) located in the Admissions Office, P.O. Box 159, Rainsville, AL 35986.

**Textbooks**

The student is responsible for buying textbooks and materials. Textbooks and class materials are available at the College bookstore. Students should contact the bookstore for additional questions and specific hours of operation (256-638-4418, Ext. 2287) located in room 100 of the Annex building.

**Transfer of Courses**

STARS (Statewide Articulation Reporting System) assists transfer students with determining what courses will transfer to a PUBLIC college or university in Alabama. Students can obtain a STARS Guide for the university and major of their choice by visiting [http://stars.troy.edu](http://stars.troy.edu). It is the student’s responsibility to stay informed about STARS and the university’s requirements regarding individual programs of study. Students must print the STARS guide, follow the instructions, and retain the printed copy as documentation for the public university. Alabama state law guarantees that Northeast courses on the STARS Guide will transfer to public universities in Alabama.

The 2to4 Transfer Program assists transfer students with determining what courses will transfer to a PRIVATE college or university in Alabama. Students can obtain a 2to4 Transfer Guide for the university and major of their choice by visiting [www.accs.cc/index.cfm/academics/private-college-transfer-guides/](http://www.accs.cc/index.cfm/academics/private-college-transfer-guides/). It is the student’s responsibility to stay informed about 2to4 and the university’s requirements regarding individual programs of study.

Students planning to transfer out-of-state should contact the appropriate college or university.

### Weather and Emergency Announcements

All students are encouraged to subscribe to the Schoolcast early alert system. Students will be emailed instructions to subscribe to SchoolCast early in their first semester. Students can choose to receive alerts by phone call, text message, and/or email message. Students who are in class or on campus during an emergency situation will also be notified by the NACC PA system. Students can also obtain college closure information on the NACC website, local radio, and television stations. If there is not a weather announcement, students should assume that classes will meet at the regular time.

⚠️ KEEP CONTACT INFORMATION UP TO DATE!

- Complete the Residency Form online at https://www.nacc.edu/admission-financial-aid/admissions/eligibility-for-in-state-residency-form to determine in-state or out-of-state tuition charges.

- Send NACC a copy of your unexpired, government issued photo ID (driver’s license, permit, passport, or permanent resident card).

- Have your ACT score sent to NACC. The college’s ACT code is 0061. If you scored less than a 20 on the math portion, less than 18 on the English portion or did not take the ACT, please contact Admissions at least two weeks before college classes begin at 256-638-4418, Ext. 2222 to schedule the Accuplacer.

- Request your high school counselor send an official high school transcript to Northeast after graduation.

- Schedule an appointment to complete your College orientation.

- Register and pay for classes by the dates specified in the College calendar.

How do I pay for College?

- Apply for scholarships online before the January deadline at https://nacc.awardspring.com/

- Complete the Free Application for Federal Student Aid (FAFSA) at fafsa.ed.gov to determine your eligibility for financial aid.
Frequently Asked Questions

**What is the definition of dual enrollment?**

Dual enrollment refers to a student who receives both high school and college credit for a college course taught at the high school, online, or on NACC campus during the fall, spring, or summer term.

**What are the benefits of dual enrollment?**

- Students have the opportunity to earn high school and college credit simultaneously.
- Students gain an early start on achieving an Associate or Baccalaureate degree.
- Students are considered NACC students and are allowed access to all services provided by the institution.
- Dual enrollment courses increase course opportunities and academic rigor for high school students.
- Dual enrollment students avoid unnecessary duplication of course work.
- Students who complete dual enrollment increase their flexibility when scheduling courses at four-year schools.
- Students and parents save money at NACC as compared to most four year institutions.
- Grades earned through dual enrollment will become part of a student’s permanent high school record and college transcripts.
- Students who successfully complete a course through dual enrollment will never again wonder if they are ready to meet the challenge of college.

**Is dual enrollment right for everyone?**

The dual enrollment program is an opportunity to take challenging courses and accelerate educational opportunities. Students who successfully complete dual enrollment courses will save time toward their college degree. Students should understand, however, that dual enrollment courses are college courses, and the amount of work necessary to succeed in dual enrollment courses may be much greater than in high school courses. In addition, dual enrollment courses become a part of a student’s permanent college transcript and are calculated into the student’s permanent College GPA. It is important to do well in these courses to realize all the benefits of dual enrollment.

**How do I get started?**

Students must meet the following criteria for eligibility:

- Currently enrolled in the 10th, 11th, or 12th grade
- Has a cumulative 2.5 unweighted GPA
- Shows academic readiness and maturity
- Meets entrance requirements of the College
- Complete and submit the Dual Enrollment/Accelerated Application for Admissions, the Release of Student Record Information, and the Permission to Register for Dual Enrollment Program forms, which must be approved by the high school counselor and principal.
What courses are eligible for dual enrollment?

Students should contact their high school counselor to determine course eligibility. The following courses are excluded from dual enrollment:

- Courses numbered below 100
- Physical education courses
- Independent study courses
- Audited courses

What does dual enrollment cost?

Dual enrollment students pay NACC tuition and fees based on the number of semester credit hours. Payment is required at the time of registration for classes. Dual enrollment students are also required to purchase books/materials for class.

Do I qualify for financial aid?

Dual enrollment students are not eligible to apply for Pell grants or student loans. In order to qualify for Pell grants or student loans, students must have a high school diploma or general educational development (GED) credential.

Are there scholarships available for dual enrollment?

The following scholarships are available to dual enrollment students:

- Career technical scholarships are available to students who qualify.
- Need-based scholarship funding for Fort Payne High School and the DeKalb County Schools is provided by the DeKalb County Community Development Commission.

How do I use military funding or PACT funds to pay for NACC dual enrollment classes?

Students who may qualify for military funding should contact Jennifer Brown at 256-638-4418, Ext. 2275 or email brownj@nacc.edu.

PACT does not cover all tuition and fees. Students with PACT must notify Jennifer Brown at NACC every semester they choose to use their available PACT funds. Ms. Brown can be reached by email at brownj@nacc.edu or phone (256) 638-4418 ext. 2275. If students have never used their PACT funds, they will need to contact PACT at 1-800-252-7228 to change their enrollment date.

Can I make payments to the college for my dual enrollment coursework?

NACC has partnered with Nelnet Business Solutions to allow students to pay over time for dual enrollment coursework. The student may enroll in the payment plan by visiting www.MyCollegePaymentPlan.com/nacc. Students will need their student number and the correct amount of their tuition before applying for the payment plan. The tuition amount and student number can be located by visiting the student’s online account. The student must be registered for the payment plan prior to the deadline each semester. For additional information, call Nelnet Business Solutions at 1-800-609-8056.
**How do I receive my grades?**

*Please see Grading System and Policies*

**Will dual enrollment courses transfer to other colleges and universities?**

*Please see Transfer of Dual Enrollment Courses*

**Will I need to take the ACT before I take dual enrollment classes?**

A placement score is needed to determine a students’ eligibility for certain classes (English and Math). The ACT and the Accuplacer can be used for placement. Students needing to schedule Accuplacer can contact the Admissions Office at 256-638-4418, Ext. 2222.

**If I take college courses in high school, will that make me ineligible for freshmen scholarships to attend college after I graduate high school?**

No. No matter how many dual enrollment courses you complete in high school, you will still be considered a freshman entering into college and would be eligible for freshmen scholarship awards.

**If I take dual enrollment classes, do I have to complete an admissions application once I graduate high school?**

Yes. Dual enrollment students attending Northeast after high school graduation are required to re-apply for admissions.

**What is the difference between dual enrollment and advanced placement credit?**

Students completing an Advanced Placement course receive high school credit but must earn a passing score on the end-of-the-course AP exam to earn subsequent college credit for the course. In contrast, students successfully completing a Dual Enrollment course automatically receive both high school and college credit for the course.
Email

All students receive a Northeast email account and email address upon admission into the College. The account will remain active for as long as the student is enrolled and through the beginning of the fall semester of the next year. The Northeast email is the primary means of communication used by all College faculty and staff. Students should check their email, delete old messages, and purge the “Trash” folder regularly. Once the NACC email reaches its size limit, the email account will be locked. Internet and computer use at NACC is governed by the Computer Technology Acceptable Use Policy found on the College website.

**Using the NACC Email**

For technical support or problems with NACC email, contact [etshelp@nacc.edu](mailto:etshelp@nacc.edu).

CANVAS

CANVAS is a course management system used by NACC to provide online access to instructional materials. CANVAS orientations are scheduled each semester in BE207 and are scheduled for 30-45 minutes. Session dates are located on the college website and students should attend only one CANVAS orientation session. The sessions are for CANVAS only and do not replace course orientations, which are held on campus or within the CANVAS system.

**Using CANVAS**
