

Northeast Alabama Community College
Curriculum Committee
Minutes
July 31, 2015

Meeting: The Curriculum Committee held an online meeting on Friday, July 31, 2015.

Participating: Shelia Barnes, Sherie Grace, Jane Hopson, Haley Johnson, Rodney Land, Lynde Mann, Greg Millican, Angie Stewart, Dr. Sharon Totten, Sherry Whitten, Rob Woodall, Dr. Joe Burke, Dr. Julia Everett, Dr. Mike Kennamer, Joan Reeves

Not Participating: Ernestine Pace, Brad Fricks

Chair Rodney Land convened the online meeting. He attached a .pdf version of an application for online delivery of the LINUX I that we approved at the July 14, 2015 meeting and an application for addition to the curriculum for a MAT-218. He asked for responses with a "Yes" or "No" vote and/or comments by the end of the day on Tuesday, August 3, 2015. Sherry Whitten identified one grammatical error and one omission of information for one item on the LINUX I application. Both of these errors were corrected on the application as suggested. Sherie Grace asked about the status of MAT 218 as an elective. Dr. Kennamer clarified that MAT 218 is a stand-alone course that will lead to industry certification as an EKG Technician. He said that he expected that it will be made part of an STC program and may be integrated into the degree for next year's catalog.

All participating members voted to approve both applications.

Northeast Alabama Community College

Application for Additions to the Curriculum

- Directions:
- (1) Save this form to your computer as a Word document (.doc extension).
 - (2) Submit the completed form via e-mail to your division director, with a copy e-mailed to the Office of Institutional Planning and Assessment (mannl@nacc.edu).
 - (3) Submit a signed print copy to your division director.
 - (4) Attach a copy of the course syllabus.

Please note that the application must be approved by the Curriculum Committee before it is presented to the Vice President/Dean of Instruction for final approval.

1. Course prefix and number Course title
MAT 218 EKG Technician
2. How does this course help achieve or enhance the Northeast Alabama Community College Mission?
Provides opportunity for students to become certified as EKG technicians.
3. Give justification for offering this course at Northeast Alabama Community College.
Additional certification that can be earned in MAT.
4. Is this a transfer course?
No
 If so, what is the AGSC Transfer Code Designation (A, B, or C)?

5. Into what degree or certificate program(s) will this course fit?
Elective in MAT program. Will consider STC in EKG Technician at a later date.
6. Into what STARS area(s) will the course fit in a transfer program (Areas I-V)?
V
7. Is this course listed in the Alabama College System Course Directory?
Yes If so, please attach a copy of the ACS directory listing.

1. Course Information

DPT Prefix	CRS Number	COURSE TITLE	THEORY CREDIT HOURS	LAB CREDIT HOURS	COURSE CREDIT HOURS
MAT	218	EKG Technician	2	1	3
Course Description					

Prerequisites: As required by the college

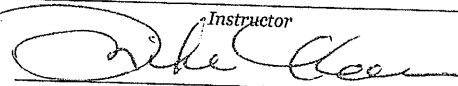

Corequisites: As required by the college

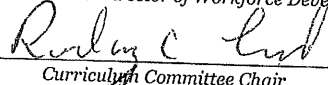

This course provides the student with an overview of cardiovascular electrophysiology and its role in health care delivery. Topics include cardiovascular anatomy, physiology and electrophysiology, interpretation of rhythm strips and diagnostic electrocardiography. The student should be able to secure an EKG tracing, troubleshoot problems with the acquisition of an EKG tracing, and interpret simple EKG rhythm strips.

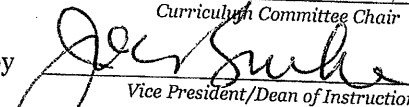

8. Provide the course description.
This course provides the student with an overview of cardiovascular electrophysiology and its role in health care delivery. Topics include cardiovascular anatomy, physiology and electrophysiology, interpretation of rhythm strips and diagnostic electrocardiography. The student should be able to secure an EKG tracing, troubleshoot problems with the acquisition of an EKG tracing, and interpret simple EKG rhythm strips.
9. Does this course have a previously taught equivalent? If so, please list the prefix, number, title, and track number of the previous course.

No.
