ROSCOE, NACC'S FOUR-LEGGED AMBASSADOR!

When you arrive on the NACC campus, Roscoe the campus dog will greet you and make you feel welcome. He loves that extra pat on the head and walking students to class. He is truly an ambassador for Northeast.

Dr. David Campbell, NACC President stated that, "Roscoe is really a sweet, gentle, friendly dog who just has his own way about him. Everybody on campus loves him."

Roscoe often rides in the back of Northeast's service carts when the maintenance people make calls on campus. Sometimes he even rides in the back seat with the campus police officers in the patrol cars. He follows their cars all over campus.

He is known to bark at whoever comes up in vehicles when the college is closed—like he's protecting the school.

"He makes the rounds each day for people to feed him," continued President Campbell. "He comes by my office about 4:30. I buy him food that I bring in. Others here feed him too. My wife Carole has even come in on the weekend to feed him

when I am gone. Students love him—they pet him all the time. Once I told a student on campus I was looking for the school dog and he said, 'Oh, you mean Roscoe?'"

Dr. Campbell also paid for his rabies shots and heartworm pills. "He is well taken care of," said Dr. Campbell. "He is an older dog and he just seemed to take up with us. We are not sure where he came from. He picked us instead of the other way around but now he is much beloved. He has been on campus for a few years, maybe 3, I guess. He is a happy dog and wants to play with people from time to time."

One faculty member (Amy LaCount) donated a doghouse for him. She painted it, put his name on it and brought it from her home. "We lock him up in our maintenance shop overnight when it is too cold or stormy," added Dr. Campbell. "He will follow you about anywhere if you have food, though he is easily caught. He is a wonderful dog! We try to have a family type atmosphere on campus, so I guess he is our family dog!"
